Subject: Environmental Headlines September 24, 2018

Environmental Headlines – prepared by the Region 8 Office of Communication and Public Involvement.

Note: Many newspapers are beginning to adopt subscription policies to govern access to their online editions. In some cases, this involves the creation of a free user account; in others, paid subscription is necessary to view more than a set number of articles per month. If you have difficulty accessing the news articles you need, please contact Dedre Henderson (x 6745).

Colorado

[Preliminary tests show emissions "significantly reduced" at Lakewood plant flagged for elevated cancer risk](#)

[Colorado oil and gas setbacks proponents try and fail to reach Democrat Party leaders at fundraiser](#)

[Pueblo Water on way to national competition](#)

[Longmont Food Rescue seeks to give overlooked produce a second life on a dinner plate](#)

Montana
